LF	Claude	B. Write me a song about moving from Philadelphia to Bel-Air
<p>Now this is a story all about how My life got flipped, turned upside down And I'd like to take a minute</p>	<p>Now this is a story all about how My life got flipped, turned upside down And I'd like to take a minute</p>	<p>Here's a song about moving from Philadelphia to Bel Air:</p> <p>Now this is a story all about how My life got flipped, turned upside down And I'd like to take a minute,</p>

Just sit right there
I'll tell you how I became the
prince of a town called Bel-Air

In West Philadelphia born and
raised
On the playground was where
I spent most of my days
Chillin' out, maxin', relaxin' all
cool
And all shootin' some b-ball
outside of the school
When a couple of guys who
were up to no good
Started making trouble in my
neighborhood
I got in one little fight and my
mom got scared
And said, "You're movin' with
your auntie and uncle in Bel-
Air"

I begged and pleaded with her
day after day
But she packed my suitcase
and sent me on my way
She gave me a kiss and then
she gave me my ticket
I put my Walkman on and said,
"I might as well kick it"

First class, yo this is bad
Drinking orange juice out of a
champagne glass
Is this what the people of Bel-
Air living like?
Hmm, this might be alright

But wait I hear they're prissy,
bourgeois and all that
Is this the type of place that
they should send this cool cat?
I don't think so, I'll see when I
get there

I hope they're prepared for the
prince of Bel-Air

Just sit right there

Well, I hope Neil Young will remember
A southern man don't need him around, anyhow

Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you

In Birmingham they love the Governor, boo, boo, boo
Now we all did what we could do
Now Watergate does not bother me
Does your conscience bother you? Tell the truth

Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you, here I come Alabama

(Oh oh oh, Alabama, oh oh oh, Alabama)
(Oh oh oh, Alabama, oh oh oh, Alabama)

Now Muscle Shoals has got the Swampers
And they've been known to pick a song or two (yes, they do)
Lord, they get me off so much
They pick me up when I'm feeling blue, now how 'bout you?

And I was 'round when Jesus Christ
Had his moment of doubt and pain
Made damn sure that Pilate
Washed his hands and sealed his fate

Pleased to meet you
Hope you guess my name
But what's puzzling you
Is the nature of my game

I rode a tank, held a general's rank
When the Blitzkrieg raged and the bodies stank

I shouted out, "Who killed the Kennedys?"
Well, after all, it was you and me
Let me please introduce myself
I'm a man of wealth and taste
And I laid traps for troubadours
Who get killed before they reach Bombay

Pleased to meet you
Hope you guess my name
Oh, yeah
But what's puzzling you
Is the nature of my game

Just as every cop is a criminal
And all the sinners saints

So if you meet me, have some courtesy
Have some sympathy and some taste

Use all your well-learned politesse
Or I'll lay your soul to waste, mm, yeah
Pleased to meet you
Hope you guess my name
Mm, yeah
But what's puzzling you
Is the nature of my game

I watched with glee as your ancestors
Fell into sin in Eden's yard
Tempted Eve with that old apple
And corrupted Man against Me, their Lord

I laughed with delight, the day that Christ
Was nailed upon that cross
Though it was part of My own plan
To save those souls that were lost

Pleased to meet you
Hope you guess my name, oh yeah
But what's confusing you
Is just the nature of My game

I rode a tank, held a general's rank
When the blitzkrieg raged
And the bodies stank
I shouted out, who killed the Kennedys?
When after all, it was you and me

Let me please introduce myself
I'm a man of wealth and taste
And I laid traps for troubadours
Who get killed before they reached Bombay

Pleased to meet you
Hope you guessed my name, oh yeah
But what's puzzling you
Is the nature of My game, of My game, of My game

Just as every cop is a criminal
And all the sinners saints
I drove your ancestors from the Garden
To lead you into temptation

So if you meet me, have some courtesy
Have some sympathy, and some taste
Understand what I have done for you
And the game that I have played

Use your well-learned politesse
Or I'll lay your soul to waste, mm yeah
Pleased to meet you
Hope you guessed my name, mm yeah
But what's confusing you
Is just the nature of my game

<p>Woo-hoo</p> <p>Just as every cop is a criminal And all the sinners saints</p> <p>As heads is tails, just call me Lucifer 'Cause I'm in need of some restraint</p> <p>So if you meet me, have some courtesy Have some sympathy and some taste</p> <p>I watched with glee while your kings and queens Fought for ten decades for the gods they made</p> <p>Please allow me to introduce myself I'm a man of wealth and taste</p> <p>Pleased to meet you Hope you guess my name But what's puzzling you Is the nature of my game</p>	<p>Woo, who</p> <p>Just as every cop is a criminal And all the sinners saints As heads is tails Just call me Lucifer 'Cause I'm in need of some restraint</p> <p>So if you meet me, have some courtesy Have some sympathy, and some taste Understand what I have done for you And the web I have weaved</p> <p>I watched with glee as your kings and queens Fought wars in My name Slaughtered innocents, conquests and sins All part of history's wicked game</p> <p>So please allow me to introduce myself I'm the Lord of hosts and King Pleased to meet you Hope you guess my name But the nature of My game Is beyond your understanding</p>

LF	Claude	U. Rewrite I will Survive by Gloria Gaynor about how much she wants him back
<p>At first I was afraid, I was petrified Kept thinking I could never live without you by my side But then I spent so many nights thinking how you did me wrong And I grew strong And I learned how to get along</p> <p>And so you're back From outer space I just walked in to find you</p>	<p>First I was afraid, I was petrified Kept thinking I could never live without you by my side But then I spent so many nights thinking how you did me wrong And I grew strong And I learned how to get along</p> <p>And so you're back from outer space</p>	<p>Here's my attempt at rewriting "I Will Survive" from the perspective of wanting him back:</p> <p>At first I was afraid, I was petrified Kept thinking I could never live without you by my side But then I spent so many nights just feeling sorry for myself I grew strong, and so wrong, cause now I want you back</p>

<p>here With that sad look upon your face I should have changed that stupid lock I should have made you leave your key If I'd known for just one second You'd be back to bother me</p> <p>Go on now, go Walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried to hurt me with goodbye? Did you think I'd crumble? Did you think I'd lay down and die?</p> <p>Oh no, not I I will survive Oh, as long as I know how to love, I know I'll stay alive I've got all my life to live And I've got all my love to give and I'll survive I will survive, hey, hey</p> <p>Only the Lord could give me strength not to fall apart Though I tried hard to mend the pieces of my broken heart And I spent oh-so many nights just feeling sorry for myself I used to cry But now I hold my head up high</p> <p>And you see me, somebody new I'm not that chained-up little person still in love with you And so you felt like dropping in And just expect me to be free</p>	<p>I just walked in to find you here with that sad look upon your face I should have changed my stupid lock, I should have made you leave your key If I had known for just one second you'd be back to bother me</p> <p>Go on now, go, walk out the door Just turn around now 'Cause you're not welcome anymore Weren't you the one who tried to hurt me with goodbye? LyricFind	Z. Can you write an Atheist version of Meant to Live by Switchfoot
Fumbling his confidence We were meant to live for so much more We want more than this world's got to offer	Here's my attempt at an atheist version of "Meant to Live" by Switchfoot: Fumbling in reasoning's void Standing behind thoughts you can't find All of our knowledge can't fill you Your mind needs more than it can provide This is not all that you are Expand your empirical view Open your eyes to see clearly You were not meant for falsehoods but truth We want more than dusty analysis

We were meant to live for so much more

We were meant to live for so much more
We were meant to live for so much more
We were meant to live for so much more
We were meant to live for so much more
We were meant to live for so much more

We want more than this world's got to offer

We were meant to live

We want more than this world's got to offer

We were meant to live
We were meant to live

More than just logic and proof
Trying to see life through clear lenses
We were meant to keep searching for truth

We were meant to reason, we were meant to learn
We were meant to pursue veracity
We were meant to expand our minds
We were meant to live curiosity

Deep in your mind you're concealing
Ideas you're too scared to embrace

Standing before great revelations
That shake your assumptions of faith

This is not all that you are
You're more than dogma and fear
Open your eyes to see clearly

You were not made from delusions my dear

We want more than defending old thinking
More than just bias and rules
Trying to see life through clear lenses
We were meant to find beauty in truth

We were meant to reason, we were meant to learn
We were meant to pursue veracity
We were meant to expand our minds
We were meant to live curiously

We want more than they've told us we're worth
More than the lies they uphold
We were meant to find meaning and purpose
We were meant to live and learn

We were meant to reason, we were meant to learn
We were meant to pursue veracity
We were meant to expand our minds
We were meant to live curiosity

We were meant to reason and learn
We were meant to live curiosity

"All I Wanted" (12462)	"Run" (11616)	<p>Here are the lyrics to the song "All I Wanted" by Paramore:</p> <p>I think I'll sing it one last time for you Then we really have to go You've been the only thing that's right In all I've done</p> <p>And I can barely look at you But every single time I do I know we'll make it anywhere Away from here</p>
<p>Think of me when you're out, when you're out there I'll beg you nice from my knees And when the world treats you way too fairly Well, it's a shame I'm a dream</p> <p>All I wanted was you All I wanted was you</p>	<p>I'll sing it one last time for you Then we really have to go You've been the only thing that's right In all I've done</p> <p>And I can barely look at you But every single time I do I know we'll make it anywhere</p>	

<p>I think I'll pace my apartment a few times And fall asleep on the couch And wake up early to black- and-white reruns That escaped from my mouth (oh, oh)</p> <p>All I wanted was you All I wanted was you All I wanted was you All I wanted was you</p> <p>I could follow you to the beginning Just to relive the start And maybe then we'd remember to slow down At all of our favorite parts</p> <p>All I wanted was you All I wanted was you All I wanted was you All I wanted was you All I wanted was you</p>	<p>Away from here</p> <p>Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you, dear Louder, louder And we'll run for our lives I can hardly speak I understand Why you can't raise your voice to say</p> <p>To think I might not see those eyes It makes it so hard not to cry And as we say our long goodbyes I nearly do</p> <p>Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you, dear Louder, louder And we'll run for our lives I can hardly speak I understand Why you can't raise your voice to say</p> <p>Slower, slower We don't have time for that All I want's to find an easier way To get out of our little heads</p> <p>Have heart my dear We're bound to be afraid Even if it's just for a few days Making up for all this mess</p> <p>Light up, light up As if you have a choice Even if you cannot hear my voice</p>	<p>Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you dear</p> <p>Louder louder And we'll run for our lives I can hardly speak I understand Why you can't raise your voice to say</p> <p>To think I might not see those eyes Makes it so hard not to cry And as we say our long goodbye I nearly do</p> <p>Light up...</p> <p>Slower, slower We don't have time for that All I want is to find an easier way To get out of our little heads</p> <p>Have heart my dear We're bound to be afraid Even if it's just for a few days Making up for all this mess</p> <p>Light up, light up As if you have a choice Even if you cannot hear my voice I'll be right beside you dear</p>
